FOREWORD

The pathways which lead us through high school are memorable ones. We hope that throughout this book, we might portray a section of these pathways upon which each of us has traveled or will travel in the future.

Education in itself is a wide and heavily traveled pathway. There are many forks in this pathway. Each leads to a different destination which is pre-determined by those who follow it.

Just as some roads are unpaved, so are some pathways to success unpaved. On these roads there are many rough and rocky sections. However, if the destination is kept in view, all difficulties can be overcome, and the pathway will have served its purpose by furnishing a means of guidance.

We are proud of our faculty who are the guideposts along this pathway through high school. We would travel in vain without them.

With all these things in mind, we, the Annual Staff, present to you the 1976 Golden Bulldog.

To Miss Corean Wells, we, the Annual Staff, proudly dedicate The 1976 BULLDOG to you. We feel that you have devoted much of your time to helping us through our years at L.H.S. You have also helped us in the planning of the future which lies ahead of us. For these deeds we are most grateful.

CLASS HISTORY

In August 1972, we the class of 1976 entered LHS. We started something that dreams were made of, that lives are built on, but it wasn't a dream . . . It was reality!

Beginning our Freshman year, we were led by Pres. - Roger Foutch; V.-Pres. - Debra Perry; Sec. - Diane Dossett; and Treas. - Kaye Owens. Our class favorites were Diane Dossett and Roger Foutch. Student Council Rep. were Sam Coleman and Jeff Turner. Nancy Koier, Kaye Owens, and Debi Standridge cheered the "B" team on to victory; and we were represented by six members on the District 1 Champion Football Team. We contributed four members to the "B" Team basketball squad. We had 10 members in the FHA and 4 in the Library Club.

As our Sophomore year arrived, we became better acquainted with the school, and we were involved in more activities. For the second consecutive year Roger Foutch led as Pres.; David Felton - V.-Pres.; Kaye Owens - Sec.; and Chuck Crossman - Treas. Monty Wilder, Rosena Price, and Eric Washington swept the popularity polls when they were elected class favorites. We had 4 "B" Team cheerleaders and eight members on the 1974 Class A - District 1 - Champion Football Team. We contributed six members to the "B" Team basketball squad, and Fred Bussey "moved up" to "A" Team. Three were on the baseball team, and Woody Collins

and Jerry Garris played golf. Our brain power was evident as 10 members were inducted into the Beta Club. We had 5 members in the DECA Club; 3 in the FHA; 5 in the Library Club; and 6 in Speech and Drama. We were well represented by 7 in the "L" Club.

In the fall of '74, we became the long-awaited "upper classmen." Getting ready for the prom was supervised by Pres. - Kelly Steele; V.Pres. - Woody Collins; Sec. - Debra Perry; and Treas. - Chuck Crossman, Eight juniors were on the 1974 District 1 - Region IV - Champion Football Team. Six juniors were on the 1975, 52nd District Champion Basketball Team. Monty Wilder played baseball; Jerry Garris and Happy Osborne played golf. Four class members cheered the Dogs to victory. Diane Dossett and Debi Standridge attended Girls' State, and Roger Foutch attended Boys' State. Nine were in the "L" Club, nine were in the Beta Club, and Happy Osborne and Sam Coleman served on the Student Council. We over-ran the DECA Club with 15 members; had 5 in the Library Club; 5 in the FHA; and 7 in SAE. Roger Foutch was inducted in the NHS, and 6 members joined Who's Who.

As we round the corner, there are unknown days of tomorrow and times that we will never be able to live again. We hope that you will be able to relive these moments with us, as we leave these memories.

Naturally us . . .
